# 6 BRICKS

TASK 1
MODEL

Make an airplane using 6 bricks

TASK 2
A STORY

Form a pyramid out of the bricks(from bottom to top) in order, according to the story:

Blue clouds drift across the blue sky, blocking out the yellow sun. It's going to rain soon, thought the girl in the green dress and took out her bright red umbrella and orange boots.
TASK 3
MUSIC

Arrange the bricks according to the melody (clap - brick horizontally, click - brick vertically)
